

EQUALITY AND DIVERSITY POLICY

STATEMENT

The Coulson Building Group is committed to equality and diversity in providing opportunity across all of our activities.

Legislation (Equality Act 2010) is increasingly ensuring the rights of people in business and society at large. Equal opportunities and diversity are about removing any barriers that affect these rights and recognising, respecting and valuing the differences we each bring to work.

In recognising these rights it is Coulson Building Group's policy that:

- 1) No employee or job applicant will be less favourably treated than another on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race (including colour, nationality and ethnic or national origin), religion or belief, sex (gender) and sexual orientation.
- 2) Appointment and promotion within The Group will be determined solely by merit related to effective performances to the job and of the Company.
- 3) Overall responsibility for monitoring the effective working of this policy is vested in the Group Managing Director.
- 4) It is the responsibility of all employees to accept their personal involvement in ensuring that this policy operates effectively.
