

## 12 MONTH CONSTRUCTION PLACEMENT

If you are studying for a construction related degree and are committed to a career in the industry, we can offer you invaluable work experience through our 12 month construction placement.

Coulson Building Group works for private and public-sector clients on new build, refurbishment, restoration and listed building projects up to £7 million in value. The successful applicant will be responsible for supporting the project team including Contracts/Project Managers, Site Managers, Quantity Surveyors and Estimators and will be involved in projects from initial enquiry through to successful completion. You will be working on real projects and will have real responsibility from the outset, with the support of your fellow team members.

We are continually looking to add to our first-class team and a successful placement could lay the foundations for longer term employment post-graduation.
